Compassion

The soul of the American Legion can be explained by one word: Compassion

- For Fallen Vets
- The wounded
- The families and kids
- Those who have sacrificed for our Freedom.
- Americanism
- The Laws of our Land.

These are some of the areas. We all understand the power of Compassion. It's a strong force for Good, and motivating entire social and cultural movements. Compassion is made stronger by meditating (Thinking) listening, moving (Actions), imagining (Planning), forgiving, learning, and reaching out to all. Add "Respect" and we will have Peace in America.

Auxiliary Message

Hello members,

Now that it is getting colder and closer to the start of winter, we should be thinking about our veterans that are not home for the holidays.

Now is the time that we can help all of our veterans that are in the Portland VA hospital.

The 2018 Christmas Gift Shop that is held at the hospital is at the end of November. We need as many volunteers as we can get to help. Please contact Linda L. at (503)-333-0719. Linda has the schedule and she would like as much help as we can give her. Also, to put a bug in your ears, the Christmas Cheer will be at the VA hospital on Thursday, December 6. Please let Joanne O. know if you can volunteer at (503) 407-7405.

Well, it is time to think about the holidays. Yes, I mean the holiday that we as American Legionnaires and the American Legion Auxiliary members celebrate in the month of November, Veterans Day, November 11, 2018. We will be distributing poppies at the new Ace Hardware (off of 25th and NW Cornell Road) for the next 2 Saturdays prior to the 11th of November. I still have the sign-up sheet at the Post Hall. Please contact me either by phone (310) 502-3991 or by email at debraashe70@gmail.com. The shift times are from 10:00 am until 1:00 pm and from 1:00 pm until 4:00 pm. The Saturday date left that I have to fill in is November 10th.

I would like to thank our new member Teresa H. for volunteering on Saturday, October 20, to help me out so I would not be by myself. Our new member Barbara and Harold H. have also volunteered. I do want to thank Joanne O., Lynn H., Dave B., and Tim and Hazel P. for signing up for the last Saturday of October and the first Saturday in November. As I said before if we have at least one Legionnaire at the distribution site, it helps with the donations.

There will be a guest at our meeting in December. The District 1 President, Lori S. will be attending our meeting. For those who have not met her, please come to the meeting and meet her. The Vice President, Jodi M. will be there also. We need YOUR help in having the best events we can have. Call me or text me or email me if you have any question or comments concerning Unit #6 Auxiliary.

Until next month,

Debra Ashe 2018-2019 President

Chaplain's Corner

What glorious weather we've been having. Oregon's Indian Summer has been wonderful to say the least. My favorite time of year is Fall and in my opinion, God has outdone Himself this year! He has also provided for us in numerous other ways as well

This month I'd like to remind us of just some of those ways. The human body is a perfect example, especially our brain. It is a marvelous creation. More intricate than medical science can discover or explain. Even the most powerful and sophisticated computers in the world can't approach it's speed or the number of instructions it processes every waking second. (It even works while we're asleep!) As the Psalmist of the Bible writes "Thank you for making me so wonderfully complex. Your workmanship is marvelous-how well I know it." Psalm 139:14 NLT. We truly are the pinnacle of God's creation. And He demonstrates His love for us in a myriad of other ways. The air we breath, the food we eat, the water we drink, the sun and the rain. All are His gifts to us.

Love is probably one of His more precious gifts. His love for us. The love of a man and his wife. Our love for family. And then there's the love of one who is willing to lay down his life for someone else, perhaps even a total stranger.

A member of the armed services is such a person. One who steps up and says "I'll go. I'll fight. I'll defend freedom. Your American Legion is made up entirely of those who have made that statement. Even if they have never had to face combat in any form they were willing to say yes, I'll go and if necessary, I'll give my life.

So, may I invite all of you reading this to come and be an active part of this organization. We exist for you and our purpose is to serve. We are here for you!

Blessings,

Lynn Hamm - Post Chaplain

P.S. Please contact me if you become aware of any illness or the passing of a member of our Post. My phone number is listed on this newsletter and if I don't answer right away, please leave a message. I promise I will respond. Thank you.

Compassion

The soul of the American Legion can be explained by one word: Compassion

- For Fallen Vets
- The wounded
- The families and kids
- Those who have sacrificed for our Freedom.
- Americanism
- The Laws of our Land.

These are some of the areas. We all understand the power of Compassion. It's a strong force for Good, and motivating entire social and cultural movements. Compassion is made stronger by meditating (Thinking) listening, moving (Actions), imagining (Planning), forgiving, learning, and reaching out to all. Add "Respect" and we will have Peace in America.

Auxiliary Message

Hello members,

Now that it is getting colder and closer to the start of winter, we should be thinking about our veterans that are not home for the holidays.

Now is the time that we can help all of our veterans that are in the Portland VA hospital.

The 2018 Christmas Gift Shop that is held at the hospital is at the end of November. We need as many volunteers as we can get to help. Please contact Linda L. at (503)-333-0719. Linda has the schedule and she would like as much help as we can give her. Also, to put a bug in your ears, the Christmas Cheer will be at the VA hospital on Thursday, December 6. Please let Joanne O. know if you can volunteer at (503) 407-7405.

Well, it is time to think about the holidays. Yes, I mean the holiday that we as American Legionnaires and the American Legion Auxiliary members celebrate in the month of November, Veterans Day, November 11, 2018. We will be distributing poppies at the new Ace Hardware (off of 25th and NW Cornell Road) for the next 2 Saturdays prior to the 11th of November. I still have the sign-up sheet at the Post Hall. Please contact me either by phone (310) 502-3991 or by email at debraashe70@gmail.com. The shift times are from 10:00 am until 1:00 pm and from 1:00 pm until 4:00 pm. The Saturday date left that I have to fill in is November 10th.

I would like to thank our new member Teresa H. for volunteering on Saturday, October 20, to help me out so I would not be by myself. Our new member Barbara and Harold H. have also volunteered. I do want to thank Joanne O., Lynn H., Dave B., and Tim and Hazel P. for signing up for the last Saturday of October and the first Saturday in November. As I said before if we have at least one Legionnaire at the distribution site, it helps with the donations.

There will be a guest at our meeting in December. The District 1 President, Lori S. will be attending our meeting. For those who have not met her, please come to the meeting and meet her. The Vice President, Jodi M. will be there also. We need YOUR help in having the best events we can have. Call me or text me or email me if you have any question or comments concerning Unit #6 Auxiliary.

Until next month,

Debra Ashe 2018-2019 President

Chaplain's Corner

What glorious weather we've been having. Oregon's Indian Summer has been wonderful to say the least. My favorite time of year is Fall and in my opinion, God has outdone Himself this year! He has also provided for us in numerous other ways as well

This month I'd like to remind us of just some of those ways. The human body is a perfect example, especially our brain. It is a marvelous creation. More intricate than medical science can discover or explain. Even the most powerful and sophisticated computers in the world can't approach it's speed or the number of instructions it processes every waking second. (It even works while we're asleep!) As the Psalmist of the Bible writes "Thank you for making me so wonderfully complex. Your workmanship is marvelous-how well I know it." Psalm 139:14 NLT. We truly are the pinnacle of God's creation. And He demonstrates His love for us in a myriad of other ways. The air we breath, the food we eat, the water we drink, the sun and the rain. All are His gifts to us.

Love is probably one of His more precious gifts. His love for us. The love of a man and his wife. Our love for family. And then there's the love of one who is willing to lay down his life for someone else, perhaps even a total stranger.

A member of the armed services is such a person. One who steps up and says "I'll go. I'll fight. I'll defend freedom. Your American Legion is made up entirely of those who have made that statement. Even if they have never had to face combat in any form they were willing to say yes, I'll go and if necessary, I'll give my life.

So, may I invite all of you reading this to come and be an active part of this organization. We exist for you and our purpose is to serve. We are here for you!

Blessings,

Lynn Hamm - Post Chaplain

P.S. Please contact me if you become aware of any illness or the passing of a member of our Post. My phone number is listed on this newsletter and if I don't answer right away, please leave a message. I promise I will respond. Thank you.

Compassion

The soul of the American Legion can be explained by one word: Compassion

- For Fallen Vets
- The wounded
- The families and kids
- Those who have sacrificed for our Freedom.
- Americanism
- The Laws of our Land.

These are some of the areas. We all understand the power of Compassion. It's a strong force for Good, and motivating entire social and cultural movements. Compassion is made stronger by meditating (Thinking) listening, moving (Actions), imagining (Planning), forgiving, learning, and reaching out to all. Add "Respect" and we will have Peace in America.

Hello members,

Now that it is getting colder and closer to the start of winter, we should be thinking about our veterans that are not home for the holidays.

Now is the time that we can help all of our veterans that are in the Portland VA hospital.

The 2018 Christmas Gift Shop that is held at the hospital is at the end of November. We need as many volunteers as we can get to help. Please contact Linda L. at (503)-333-0719. Linda has the schedule and she would like as much help as we can give her. Also, to put a bug in your ears, the Christmas Cheer will be at the VA hospital on Thursday, December 6. Please let Joanne O. know if you can volunteer at (503) 407-7405.

Well, it is time to think about the holidays. Yes, I mean the holiday that we as American Legionnaires and the American Legion Auxiliary members celebrate in the month of November, Veterans Day, November 11, 2018. We will be distributing poppies at the new Ace Hardware (off of 25th and NW Cornell Road) for the next 2 Saturdays prior to the 11th of November. I still have the sign-up sheet at the Post Hall. Please contact me either by phone (310) 502-3991 or by email at debraashe70@gmail.com. The shift times are from 10:00 am until 1:00 pm and from 1:00 pm until 4:00 pm. The Saturday date left that I have to fill in is November 10th.

I would like to thank our new member Teresa H. for volunteering on Saturday, October 20, to help me out so I would not be by myself. Our new member Barbara and Harold H. have also volunteered. I do want to thank Joanne O., Lynn H., Dave B., and Tim and Hazel P. for signing up for the last Saturday of October and the first Saturday in November. As I said before if we have at least one Legionnaire at the distribution site, it helps with the donations.

There will be a guest at our meeting in December. The District 1 President, Lori S. will be attending our meeting. For those who have not met her, please come to the meeting and meet her. The Vice President, Jodi M. will be there also. We need YOUR help in having the best events we can have. Call me or text me or email me if you have any question or comments concerning Unit #6 Auxiliary.

Until next month,

What glorious weather we've been having. Oregon's Indian Summer has been wonderful to say the least. My favorite time of year is Fall and in my opinion, God has outdone Himself this year! He has also provided for us in numerous other ways as well

This month I'd like to remind us of just some of those ways. The human body is a perfect example, especially our brain. It is a marvelous creation. More intricate than medical science can discover or explain. Even the most powerful and sophisticated computers in the world can't approach it's speed or the number of instructions it processes every waking second. (It even works while we're asleep!) As the Psalmist of the Bible writes "Thank you for making me so wonderfully complex. Your workmanship is marvelous-how well I know it." Psalm 139:14 NLT. We truly are the pinnacle of God's creation. And He demonstrates His love for us in a myriad of other ways. The air we breath, the food we eat, the water we drink, the sun and the rain. All are His gifts to us.

Love is probably one of His more precious gifts. His love for us. The love of a man and his wife. Our love for family. And then there's the love of one who is willing to lay down his life for someone else, perhaps even a total stranger.

A member of the armed services is such a person. One who steps up and says "I'll go. I'll fight. I'll defend freedom. Your American Legion is made up entirely of those who have made that statement. Even if they have never had to face combat in any form they were willing to say yes, I'll go and if necessary, I'll give my life.

So, may I invite all of you reading this to come and be an active part of this organization. We exist for you and our purpose is to serve. We are here for you!

The soul of the American Legion can be explained by one word: Compassion

- For Fallen Vets
- The wounded

These are some of the areas. We all understand the power of Compassion. It's a strong force for Good, and motivating entire social and cultural movements. Auxiliary Message

Hello members,

Now that it is getting colder and closer to the start of winter, we should be thinking about our veterans that are not home for the holidays.

Now is the time that we can help all of our veterans that are in the Portland VA hospital.

The 2018 Christmas Gift Shop that is held at the hospital is at the end of November. We need as many volunteers as we can get to help. Please contact Linda L. at (503)-333-0719. Linda has the schedule and she would like as much help as we can give her. Also, to put a bug in your ears, the Christmas Cheer will be at the VA hospital on Thursday, December 6. Please let Joanne O. know if you can volunteer at (503) 407-7405.

Well, it is time to think about the holidays. Yes, I mean the holiday that we as American Legionnaires and the American Legion Auxiliary members celebrate in the month of November, Veterans Day, November 11, 2018. We will be distributing poppies at the new Ace Hardware (off of 25th and NW Cornell Road) for the next 2 Saturdays prior to the 11th of November. I still have the sign-up sheet at the Post Hall. Please contact me either by phone (310) 502-3991 or by email at debraashe70@gmail.com. The shift times are from 10:00 am until 1:00 pm and from 1:00 pm until 4:00 pm. The Saturday date left that I have to fill in is November 10th.

I would like to thank our new member Teresa H. for volunteering on Saturday, October 20, to help me out so I would not be by myself. Our new member Barbara and Harold H. have also volunteered. I do want to thank Joanne O., Lynn H., Dave B., and Tim and Hazel P. for signing up for the last Saturday of October and the first Saturday in November. As I said before if we have at least one Legionnaire at the distribution site, it helps with the donations.

There will be a guest at our meeting in December. The District 1 President, Lori S. will be attending our meeting. For those who have not met her, please come to the meeting and meet her. The Vice President, Jodi M. will be there also. We need YOUR help in having the best events we can have. Call me or text me or email me if you have any question or comments concerning Unit #6 Auxiliary.

Until next month,

Debra Ashe 2018-2019 President

Chaplain's Corner

What glorious weather we've been having. Oregon's Indian Summer has been wonderful to say the least. My favorite time of year is Fall and in my opinion, God has outdone Himself this year! He has also provided for us in numerous other ways as well

This month I'd like to remind us of just some of those ways. The human body is a perfect example, especially our brain. It is a marvelous creation. More intricate than medical science can discover or explain. Even the most powerful and sophisticated computers in the world can't approach it's speed or the number of instructions it processes every waking second. (It even works while we're asleep!) As the Psalmist of the Bible writes "Thank you for making me so wonderfully complex. Your workmanship is marvelous-how well I know it." Psalm 139:14 NLT. We truly are the pinnacle of God's creation. And He demonstrates His love for us in a myriad of other ways. The air we breath, the food we eat, the water we drink, the sun and the rain. All are His gifts to us.

Love is probably one of His more precious gifts. His love for us. The love of a man and his wife. Our love for family. And then there's the love of one who is willing to lay down his life for someone else, perhaps even a total stranger.

A member of the armed services is such a person. One who steps up and says "I'll go. I'll fight. I'll defend freedom. Your American Legion is made up entirely of those who have made that statement. Even if they have never had to face combat in any form they were willing to say yes, I'll go and if necessary, I'll give my life.

So, may I invite all of you reading this to come and be an active part of this organization. We exist for you and our purpose is to serve. We are here for you!

Blessings,

Lynn Hamm - Post Chaplain

P.S. Please contact me if you become aware of any illness or the passing of a member of our Post. My phone number is listed on this newsletter and if I don't answer right away, please leave a message. I promise I will respond. Thank you.

Guitars For Vets

I am currently working with the National Coordinator of this organization to set up a Washington County Area Chapter, to be sponsored by our Post.

Guitars for Vets is a 501(c)3 non-profit organization founded in Milwaukee, Wisconsin in 2007. They currently operate more than 80 chapters in 40 states with the assistance of over 200 volunteers nationwide. Over the past seven years, the organization has refined a guitar instruction program aimed at providing Veterans struggling with physical injuries, PTSD and other emotional distress a unique supportive program. G4V pursues its mission to share the healing power of music by providing free guitar instruction, a new acoustic guitar and a guitar accessory kit in a structured program run by volunteers, primarily through the Department of Veterans Affairs facilities and community-based medical centers.

For more info about the program please visit this website: <http://www.guitars4vets.org/>.

Money Monday-Investing

As the leaves fall so does the stock market. In the Fall, as the leaves change from green to yellow then red ... so do stocks. How can you take advantage of this change? Which stocks are doing well? Which mutual funds should you be in now. Join us on Money Monday and see for yourself. We will be exploring and researching many stock and mutual funds. We will find the winners and the losers and show everyone how easy it is and how much power and information is just a 'click' away.

Guitars For Vets

I am currently working with the National Coordinator of this organization to set up a Washington County Area Chapter, to be sponsored by our Post.

Guitars for Vets is a 501(c)3 non-profit organization founded in Milwaukee, Wisconsin in 2007. They currently operate more than 80 chapters in 40 states with the assistance of over 200 volunteers nationwide. Over the past seven years, the organization has refined a guitar instruction program aimed at providing Veterans struggling with physical injuries, PTSD and other emotional distress a unique supportive program. G4V pursues its mission to share the healing power of music by providing free guitar instruction, a new acoustic guitar and a guitar accessory kit in a structured program run by volunteers, primarily through the Department of Veterans Affairs facilities and community-based medical centers.

Hello members,

Now that it is getting colder and closer to the start of winter, we should be thinking about our veterans that are not home for the holidays.

Now is the time that we can help all of our veterans that are in the Portland VA hospital.

The 2018 Christmas Gift Shop that is held at the hospital is at the end of November. We need as many volunteers as we can get to help. Please contact Linda L. at (503)-333-0719. Linda has the schedule and she would like as much help as we can give her. Also, to put a bug in your ears, the Christmas Cheer will be at the VA hospital on Thursday, December 6. Please let Joanne O. know if you can volunteer at (503) 407-7405.

Well, it is time to think about the holidays. Yes, I mean the holiday that we as American Legionnaires and the American Legion Auxiliary members celebrate in the month of November, Veterans Day, November 11, 2018. We will be distributing poppies at the new Ace Hardware (off of 25th and NW Cornell Road) for the next 2 Saturdays prior to the 11th of November. I still have the sign-up sheet at the Post Hall. Please contact me either by phone (310) 502-3991 or by email at debraashe70@gmail.com. The shift times are from 10:00 am until 1:00 pm and from 1:00 pm until 4:00 pm. The Saturday date left that I have to fill in is November 10th.

I would like to thank our new member Teresa H. for volunteering on Saturday, October 20, to help me out so I would not be by myself. Our new member Barbara and Harold H. have also volunteered. I do want to thank Joanne O., Lynn H., Dave B., and Tim and Hazel P. for signing up for the last Saturday of October and the first Saturday in November. As I said before if we have at least one Legionnaire at the distribution site, it helps with the donations.

There will be a guest at our meeting in December. The District 1 President, Lori S. will be attending our meeting. For those who have not met her, please come to the meeting and meet her. The Vice President, Jodi M. will be there also. We need YOUR help in having the best events we can have. Call me or text me or email me if you have any question or comments concerning Unit #6 Auxiliary.

Until next month,

Chaplain's Corner

What glorious weather we've been having. Oregon's Indian Summer has been wonderful to say the least. My favorite time of year is Fall and in my opinion, God has outdone Himself this year! He has also provided for us in numerous other ways as well

This month I'd like to remind us of just some of those ways. The human body is a perfect example, especially our brain. It is a marvelous creation. More intricate than medical science can discover or explain. Even the most powerful and sophisticated computers in the world can't approach it's speed or the number of instructions it processes every waking second. (It even works while we're asleep!) As the Psalmist of the Bible writes "Thank you for making me so wonderfully complex. Your workmanship is marvelous-how well I know it." Psalm 139:14 NLT. We truly are the pinnacle of God's creation. And He demonstrates His love for us in a myriad of other ways. The air we breath, the food we eat, the water we drink, the sun and the rain. All are His gifts to us.

Love is probably one of His more precious gifts. His love for us. The love of a man and his wife. Our love for family. And then there's the love of one who is willing to lay down his life for someone else, perhaps even a total stranger.

A member of the armed services is such a person. One who steps up and says "I'll go. I'll fight. I'll defend freedom. Your American Legion is made up entirely of those who have made that statement. Even if they have never had to face combat in any form they were willing to say yes, I'll go and if necessary, I'll give my life.

So, may I invite all of you reading this to come and be an active part of this organization. We exist for you and our purpose is to serve. We are here for you!

Blessings,

Lynn Hamm - Post Chaplain

Chaplain's Corner

What glorious weather we've been having. Oregon's Indian Summer has been wonderful to say the least. My favorite time of year is Fall and in my opinion, God has outdone Himself this year! He has also provided for us in numerous other ways as well

This month I'd like to remind us of just some of those ways. The human body is a perfect example, especially our brain. It is a marvelous creation. More intricate than medical science can discover or explain. Even the most powerful and sophisticated computers in the world can't approach it's speed or the number of instructions it processes every waking second. (It even works while we're asleep!) As the Psalmist of the Bible writes "Thank you for making me so wonderfully complex. Your workmanship is marvelous-how well I know it." Psalm 139:14 NLT. We truly are the pinnacle of God's creation. And He demonstrates His love for us in a myriad of other ways. The air we breath, the food we eat, the water we drink, the sun and the rain. All are His gifts to us.

Love is probably one of His more precious gifts. His love for us. The love of a man and his wife. Our love for family. And then there's the love of one who is willing to lay down his life for someone else, perhaps even a total stranger.

A member of the armed services is such a person. One who steps up and says "I'll go. I'll fight. I'll defend freedom. Your American Legion is made up entirely of those who have made that statement. Even if they have never had to face combat in any form they were willing to say yes, I'll go and if necessary, I'll give my life.

So, may I invite all of you reading this to come and be an active part of this organization. We exist for you and our purpose is to serve. We are here for you!

Blessings,

Lynn Hamm - Post Chaplain

P.S. Please contact me if you become aware of any illness or the passing of a member of our Post. My phone number is listed on this newsletter and if I don't answer right away, please leave a message. I promise I will respond. Thank you.

Guitars For Vets

I am currently working with the National Coordinator of this organization to set up a Washington County Area Chapter, to be sponsored by our Post.

Guitars for Vets is a 501(c)3 non-profit organization founded in Milwaukee, Wisconsin in 2007. They currently operate more than 80 chapters in 40 states with the assistance of over 200 volunteers nationwide. Over the past seven years, the organization has refined a guitar instruction program aimed at providing Veterans struggling with physical injuries, PTSD and other emotional distress a unique supportive program. G4V pursues its mission to share the healing power of music by providing free guitar instruction, a new acoustic guitar and a guitar accessory kit in a structured program run by volunteers, primarily through the Department of Veterans Affairs facilities and community-based medical centers.

Auxiliary Message

Hello members,

Now that it is getting colder and closer to the start of winter, we should be thinking about our veterans that are not home for the holidays.

Now is the time that we can help all of our veterans that are in the Portland VA hospital.

The 2018 Christmas Gift Shop that is held at the hospital is at the end of November. We need as many volunteers as we can get to help. Please contact Linda L. at (503)-333-0719. Linda has the schedule and she would like as much help as we can give her. Also, to put a bug in your ears, the Christmas Cheer will be at the VA hospital on Thursday, December 6. Please let Joanne O. know if you can volunteer at (503) 407-7405.

Well, it is time to think about the holidays. Yes, I mean the holiday that we as American Legionnaires and the American Legion Auxiliary members celebrate in the month of November, Veterans Day, November 11, 2018. We will be distributing poppies at the new Ace Hardware (off of 25th and NW Cornell Road) for the next 2 Saturdays prior to the 11th of November. I still have the sign-up sheet at the Post Hall. Please contact me either by phone (310) 502-3991 or by email at debraashe70@gmail.com. The shift times are from 10:00 am until 1:00 pm and from 1:00 pm until 4:00 pm. The Saturday date left that I have to fill in is November 10th.

I would like to thank our new member Teresa H. for volunteering on Saturday, October 20, to help me out so I would not be by myself. Our new member Barbara and Harold H. have also volunteered. I do want to thank Joanne O., Lynn H., Dave B., and Tim and Hazel P. for signing up for the last Saturday of October and the first Saturday in November. As I said before if we have at least one Legionnaire at the distribution site, it helps with the donations.

There will be a guest at our meeting in December. The District 1 President, Lori S. will be attending our meeting. For those who have not met her, please come to the meeting and meet her. The Vice President, Jodi M. will be there also. We need YOUR help in having the best events we can have. Call me or text me or email me if you have any question or comments concerning Unit #6 Auxiliary.

Until next month,

Debra Ashe 2018-2019 President

Please let Joanne O. know if you can volunteer at (503) 407-7405.

Well, it is time to think about the holidays. Yes, I mean the holiday that we as American Legionnaires and the American Legion Auxiliary members celebrate in the month of November, Veterans Day, November 11, 2018. We will be distributing poppies at the new Ace Hardware (off of 25th and NW Cornell Road) for the next 2 Saturdays prior to the 11th of November. I still have the sign-up sheet at the Post Hall. Please contact me either by phone (310) 502-3991 or by email at debraashe70@gmail.com. The shift times are from 10:00 am until 1:00 pm and from 1:00 pm until 4:00 pm. The Saturday date left that I have to fill in is November 10th.

I would like to thank our new member Teresa H. for volunteering on Saturday, October 20, to help me out so I would not be by myself. Our new member Barbara and Harold H. have also volunteered. I do want to thank Joanne O., Lynn H., Dave B., and Tim and Hazel P. for signing up for the last Saturday of October and the first Saturday in November. As I said before if we have at least one Legionnaire at the distribution site, it helps with the donations.

There will be a guest at our meeting in December. The District 1 President, Lori S. will be attending our meeting. For those who have not met her, please come to the meeting and meet her. The Vice President, Jodi M. will be there also. We need YOUR help in having the best events we can have. Call me or text me or email me if you have any question or comments concerning Unit #6 Auxiliary.

Until next month,

What glorious weather we've been having. Oregon's Indian Summer has been wonderful to say the least. My favorite time of year is Fall and in my opinion, God has outdone Himself this year! He has also provided for us in numerous other ways as well

This month I'd like to remind us of just some of those ways. The human body is a perfect example, especially our brain. It is a marvelous creation. More intricate than medical science can discover or explain. Even the most powerful and sophisticated computers in the world can't approach it's speed or the number of instructions it processes every waking second. (It even works while we're asleep!) As the Psalmist of the Bible writes "Thank you for making me so wonderfully complex. Your workmanship is marvelous-how well I know it." Psalm 139:14 NLT. We truly are the pinnacle of God's creation. And He demonstrates His love for us in a myriad of other ways. The air we breath, the food we eat, the water we drink, the sun and the rain. All are His gifts to us.

Love is probably one of His more precious gifts. His love for us. The love of a man and his wife. Our love for family. And then there's the love of one who is willing to lay down his life for someone else, perhaps even a total stranger.

A member of the armed services is such a person. One who steps up and says "I'll go. I'll fight. I'll defend freedom. Your American Legion is made up entirely of those who have made that statement. Even if they have never had to face combat in any form they were willing to say yes, I'll go and if necessary, I'll give my life.

So, may I invite all of you reading this to come and be an active part of this organization. We exist for you and our purpose is to serve. We are here for you!

Blessings,

Lynn Hamm - Post Chaplain

Event(s) Update

Please keep an eye out for announcements regarding our next events. This month the Early Bird Dinner has been scheduled for November 10. The Auxiliary will prepare a full Thanksgiving Dinner for the low price of \$10, But it gets better! Any Legion member that has paid their 2019 dues prior to or at this gets a free meal. And that's just as good as money (in your pocket)! So, get your dues paid and c'mon down for Dinner!

Post 6 held an Oktoberfest dinner on October 27th. There were a total of 22 meals sold with 4 being to go. There was Imported German beer and German Potato Salad (served hot from Bavarian Sausage Deli) along with Brats from a local butcher and Apple pies and Sauerkraut from a local Grocery Outlet.

Although there was a problem with the promised music because the tech brought the wrong connectors (Me), and there were no games, as promised in the ad, there were no complaints about the food! Sheryl Loberger did an awesome job with the decorating! Another festival of fall will be in the works for next Fall.

Auxiliary Message

Hello members,

Now that it is getting colder and closer to the start of winter, we should be thinking about our veterans that are not home for the holidays.

Now is the time that we can help all of our veterans that are in the Portland VA hospital.

The 2018 Christmas Gift Shop that is held at the hospital is at the end of November. We need as many volunteers as we can get to help. Please contact Linda L. at (503)-333-0719. Linda has the schedule and she would like as much help as we can give her. Also, to put a bug in your ears, the Christmas Cheer will be at the VA hospital on Thursday, December 6. Please let Joanne O. know if you can volunteer at (503) 407-7405.

Auxiliary Message

Hello members,

Now that it is getting colder and closer to the start of winter, we should be thinking about our veterans that are not home for the holidays.

Now is the time that we can help all of our veterans that are in the Portland VA hospital.

The 2018 Christmas Gift Shop that is held at the hospital is at the end of November. We need as many volunteers as we can get to help. Please contact Linda L. at (503)-333-0719. Linda has the schedule and she would like as much help as we can give her. Also, to put a bug in your ears, the Christmas Cheer will be at the VA hospital on Thursday, December 6. Please let Joanne O. know if you can volunteer at (503) 407-7405.

Well, it is time to think about the holidays. Yes, I mean the holiday that we as American Legionnaires and the American Legion Auxiliary members celebrate in the month of November, Veterans Day, November 11, 2018. We will be distributing poppies at the new Ace Hardware (off of 25th and NW Cornell Road) for the next 2 Saturdays prior to the 11th of November. I still have the sign-up sheet at the Post Hall. Please contact me either by phone (310) 502-3991 or by email at debraashe70@gmail.com. The shift times are from 10:00 am until 1:00 pm and from 1:00 pm until 4:00 pm. The Saturday date left that I have to fill in is November 10th.

I would like to thank our new member Teresa H. for volunteering on Saturday, October 20, to help me out so I would not be by myself. Our new member Barbara and Harold H. have also volunteered. I do want to thank Joanne O., Lynn H., Dave B., and Tim and Hazel P. for signing up for the last Saturday of October and the first Saturday in November. As I said before if we have at least one Legionnaire at the distribution site, it helps with the donations.

There will be a guest at our meeting in December. The District 1 President, Lori S. will be attending our meeting. For those who have not met her, please come to the meeting and meet her. The Vice President, Jodi M. will be there also. We need YOUR help in having the best events we can have. Call me or text me or email me if you have any question or comments concerning Unit #6 Auxiliary.

Until next month,

Debra Ashe 2018-2019 President

Chaplain's Corner

What glorious weather we've been having. Oregon's Indian Summer has been wonderful to say the least. My favorite time of year is Fall and in my opinion, God has outdone Himself this year! He has also provided for us in numerous other ways as well

This month I'd like to remind us of just some of those ways. The human body is a perfect example, especially our brain. It is a marvelous creation. More intricate than medical science can discover or explain. Even the most powerful and sophisticated computers in the world can't approach it's speed or the number of instructions it processes every waking second. (It even works while we're asleep!) As the Psalmist of the Bible writes "Thank you for making me so wonderfully complex. Your workmanship is marvelous-how well I know it." Psalm 139:14 NLT. We truly are the pinnacle of God's creation. And He demonstrates His love for us in a myriad of other ways. The air we breath, the food we eat, the water we drink, the sun and the rain. All are His gifts to us.

Love is probably one of His more precious gifts. His love for us. The love of a man and his wife. Our love for family. And then there's the love of one who is willing to lay down his life for someone else, perhaps even a total stranger.

A member of the armed services is such a person. One who steps up and says "I'll go. I'll fight. I'll defend freedom. Your American Legion is made up entirely of those who have made that statement. Even if they have never had to face combat in any form they were willing to say yes, I'll go and if necessary, I'll give my life.

So, may I invite all of you reading this to come and be an active part of this organization. We exist for you and our purpose is to serve. We are here for you!

Blessings,

Lynn Hamm - Post Chaplain

P.S. Please contact me if you become aware of any illness or the passing of a member of our Post. My phone number is listed on this newsletter and if I don't answer right away, please leave a message. I promise I will respond. Thank you.

I am currently working with the National Coordinator of this organization to set up a Washington County Area Chapter, to be sponsored by our Post.

Guitars for Vets is a 501(c)3 non-profit organization founded in Milwaukee, Wisconsin in 2007. They currently operate more than 80 chapters in 40 states with the assistance of over 200 volunteers nationwide. Over the past seven years, the organization has refined a guitar instruction program aimed at providing Veterans struggling with physical injuries, PTSD and other emotional distress a unique supportive program. G4V pursues its mission to share the healing power of music by providing free guitar instruction, a new acoustic guitar and a guitar accessory kit in a structured program run by volunteers, primarily through the Department of Veterans Affairs facilities and community-based medical centers.

Auxiliary Message

Hello members,

Now that it is getting colder and closer to the start of winter, we should be thinking about our veterans that are not home for the holidays.

Now is the time that we can help all of our veterans that are in the Portland VA hospital.

The 2018 Christmas Gift Shop that is held at the hospital is at the end of November. We need as many volunteers as we can get to help. Please contact Linda L. at (503)-333-0719. Linda has the schedule and she would like as much help as we can give her. Also, to put a bug in your ears, the Christmas Cheer will be at the VA hospital on Thursday, December 6. Please let Joanne O. know if you can volunteer at (503) 407-7405.

Well, it is time to think about the holidays. Yes, I mean the holiday that we as American Legionnaires and the American Legion Auxiliary members celebrate in the month of November, Veterans Day, November 11, 2018. We will be distributing poppies at the new Ace Hardware (off of 25th and NW Cornell Road) for the next 2 Saturdays prior to the 11th of November. I still have the sign-up sheet at the Post Hall. Please contact me either by phone (310) 502-3991 or by email at debraashe70@gmail.com. The shift times are from 10:00 am until 1:00 pm and from 1:00 pm until 4:00 pm. The Saturday date left that I have to fill in is November 10th.

I would like to thank our new member Teresa H. for volunteering on Saturday, October 20, to help me out so I would not be by myself. Our new member Barbara and Harold H. have also volunteered. I do want to thank Joanne O., Lynn H., Dave B., and Tim and Hazel P. for signing up for the last Saturday of October and the first Saturday in November. As I said before if we have at least one Legionnaire at the distribution site, it helps with the donations.

There will be a guest at our meeting in December. The District 1 President, Lori S. will be attending our meeting. For those who have not met her, please come to the meeting and meet her. The Vice President, Jodi M. will be there also. We need YOUR help in having the best events we can have. Call me or text me or email me if you have any question or comments concerning Unit #6 Auxiliary.

Until next month,

Debra Ashe 2018-2019 President

Chaplain's Corner

What glorious weather we've been having. Oregon's Indian Summer has been wonderful to say the least. My favorite time of year is Fall and in my opinion, God has outdone Himself this year! He has also provided for us in numerous other ways as well

This month I'd like to remind us of just some of those ways. The human body is a perfect example, especially our brain. It is a marvelous creation. More intricate than medical science can discover or explain. Even the most powerful and sophisticated computers in the world can't approach it's speed or the number of instructions it processes every waking second. (It even works while we're asleep!) As the Psalmist of the Bible writes "Thank you for making me so wonderfully complex. Your workmanship is marvelous-how well I know it." Psalm 139:14 NLT. We truly are the pinnacle of God's creation. And He demonstrates His love for us in a myriad of other ways. The air we breath, the food we eat, the water we drink, the sun and the rain. All are His gifts to us.

Love is probably one of His more precious gifts. His love for us. The love of a man and his wife. Our love for family. And then there's the love of one who is willing to lay down his life for someone else, perhaps even a total stranger.

A member of the armed services is such a person. One who steps up and says "I'll go. I'll fight. I'll defend freedom. Your American Legion is made up entirely of those who have made that statement. Even if they have never had to face combat in any form they were willing to say yes, I'll go and if necessary, I'll give my life.

So, may I invite all of you reading this to come and be an active part of this organization. We exist for you and our purpose is to serve. We are here for you!

Blessings,

Lynn Hamm - Post Chaplain

P.S. Please contact me if you become aware of any illness or the passing of a member of our Post. My phone number is listed on this newsletter and if I don't answer right away, please leave a message. I promise I will respond. Thank you.

Compassion

The soul of the American Legion can be explained by one word: Compassion

- For Fallen Vets
- The wounded
- The families and kids
- Those who have sacrificed for our Freedom.
- Americanism
- The Laws of our Land.

These are some of the areas. We all understand the power of Compassion. It's a strong force for Good, and motivating entire social and cultural movements. Compassion is made stronger by meditating (Thinking) listening, moving (Actions), imagining (Planning), forgiving, learning, and reaching out to all. Add "Respect" and we will have Peace in America.

Auxiliary Message

Hello members,

Now that it is getting colder and closer to the start of winter, we should be thinking about our veterans that are not home for the holidays.

Now is the time that we can help all of our veterans that are in the Portland VA hospital.

The 2018 Christmas Gift Shop that is held at the hospital is at the end of November. We need as many volunteers as we can get to help. Please contact Linda L. at (503)-333-0719. Linda has the schedule and she would like as much help as we can give her. Also, to put a bug in your ears, the Christmas Cheer will be at the VA hospital on Thursday, December 6. Please let Joanne O. know if you can volunteer at (503) 407-7405.

Well, it is time to think about the holidays. Yes, I mean the holiday that we as American Legionnaires and the American Legion Auxiliary members celebrate in the month of November, Veterans Day, November 11, 2018. We will be distributing poppies at the new Ace Hardware (off of 25th and NW Cornell Road) for the next 2 Saturdays prior to the 11th of November. I still have the sign-up sheet at the Post Hall. Please contact me either by phone (310) 502-3991 or by email at debraashe70@gmail.com. The shift times are from 10:00 am until 1:00 pm and from 1:00 pm until 4:00 pm. The Saturday date left that I have to fill in is November 10th.

I would like to thank our new member Teresa H. for volunteering on Saturday, October 20, to help me out so I would not be by myself. Our new member Barbara and Harold H. have also volunteered. I do want to thank Joanne O., Lynn H., Dave B., and Tim and Hazel P. for signing up for the last Saturday of October and the first Saturday in November. As I said before if we have at least one Legionnaire at the distribution site, it helps with the donations.

There will be a guest at our meeting in December. The District 1 President, Lori S. will be attending our meeting. For those who have not met her, please come to the meeting and meet her. The Vice President, Jodi M. will be there also. We need YOUR help in having the best events we can have. Call me or text me or email me if you have any question or comments concerning Unit #6 Auxiliary.

Until next month,

Debra Ashe 2018-2019 President

Chaplain's Corner

What glorious weather we've been having. Oregon's Indian Summer has been wonderful to say the least. My favorite time of year is Fall and in my opinion, God has outdone Himself this year! He has also provided for us in numerous other ways as well

This month I'd like to remind us of just some of those ways. The human body is a perfect example, especially our brain. It is a marvelous creation. More intricate than medical science can discover or explain. Even the most powerful and sophisticated computers in the world can't approach it's speed or the number of instructions it processes every waking second. (It even works while we're asleep!) As the Psalmist of the Bible writes "Thank you for making me so wonderfully complex. Your workmanship is marvelous-how well I know it." Psalm 139:14 NLT. We truly are the pinnacle of God's creation. And He demonstrates His love for us in a myriad of other ways. The air we breath, the food we eat, the water we drink, the sun and the rain. All are His gifts to us.

Love is probably one of His more precious gifts. His love for us. The love of a man and his wife. Our love for family. And then there's the love of one who is willing to lay down his life for someone else, perhaps even a total stranger.

A member of the armed services is such a person. One who steps up and says "I'll go. I'll fight. I'll defend freedom. Your American Legion is made up entirely of those who have made that statement. Even if they have never had to face combat in any form they were willing to say yes, I'll go and if necessary, I'll give my life.

So, may I invite all of you reading this to come and be an active part of this organization. We exist for you and our purpose is to serve. We are here for you!

Blessings,

Lynn Hamm - Post Chaplain

P.S. Please contact me if you become aware of any illness or the passing of a member of our Post. My phone number is listed on this newsletter and if I don't answer right away, please leave a message. I promise I will respond. Thank you.

I am currently working with the National Coordinator of this organization to set up a Washington County Area Chapter, to be sponsored by our Post.

Compassion

The soul of the American Legion can be explained by one word: Compassion

- For Fallen Vets
- The wounded
- The families and kids
- Those who have sacrificed for our Freedom.
- Americanism
- The Laws of our Land.

These are some of the areas. We all understand the power of Compassion. It's a strong force for Good, and motivating entire social and cultural movements. Compassion is made stronger by meditating (Thinking) listening, moving (Actions), imagining (Planning), forgiving, learning, and reaching out to all. Add "Respect" and we will have Peace in America.

Auxiliary Message

Hello members,

Now that it is getting colder and closer to the start of winter, we should be thinking about our veterans that are not home for the holidays.

Now is the time that we can help all of our veterans that are in the Portland VA hospital.

The 2018 Christmas Gift Shop that is held at the hospital is at the end of November. We need as many volunteers as we can get to help. Please contact Linda L. at (503)-333-0719. Linda has the schedule and she would like as much help as we can give her. Also, to put a bug in your ears, the Christmas Cheer will be at the VA hospital on Thursday, December 6. Please let Joanne O. know if you can volunteer at (503) 407-7405.

Well, it is time to think about the holidays. Yes, I mean the holiday that we as American Legionnaires and the American Legion Auxiliary members celebrate in the month of November, Veterans Day, November 11, 2018. We will be distributing poppies at the new Ace Hardware (off of 25th and NW Cornell Road) for the next 2 Saturdays prior to the 11th of November. I still have the sign-up sheet at the Post Hall. Please contact me either by phone (310) 502-3991 or by email at debraashe70@gmail.com. The shift times are from 10:00 am until 1:00 pm and from 1:00 pm until 4:00 pm. The Saturday date left that I have to fill in is November 10th.

I would like to thank our new member Teresa H. for volunteering on Saturday, October 20, to help me out so I would not be by myself. Our new member Barbara and Harold H. have also volunteered. I do want to thank Joanne O., Lynn H., Dave B., and Tim and Hazel P. for signing up for the last Saturday of October and the first Saturday in November. As I said before if we have at least one Legionnaire at the distribution site, it helps with the donations.

There will be a guest at our meeting in December. The District 1 President, Lori S. will be attending our meeting. For those who have not met her, please come to the meeting and meet her. The Vice President, Jodi M. will be there also. We need YOUR help in having the best events we can have. Call me or text me or email me if you have any question or comments concerning Unit #6 Auxiliary.

Until next month,

Debra Ashe 2018-2019 President

Chaplain's Corner

What glorious weather we've been having. Oregon's Indian Summer has been wonderful to say the least. My favorite time of year is Fall and in my opinion, God has outdone Himself this year! He has also provided for us in numerous other ways as well

This month I'd like to remind us of just some of those ways. The human body is a perfect example, especially our brain. It is a marvelous creation. More intricate than medical science can discover or explain. Even the most powerful and sophisticated computers in the world can't approach it's speed or the number of instructions it processes every waking second. (It even works while we're asleep!) As the Psalmist of the Bible writes "Thank you for making me so wonderfully complex. Your workmanship is marvelous-how well I know it." Psalm 139:14 NLT. We truly are the pinnacle of God's creation. And He demonstrates His love for us in a myriad of other ways. The air we breath, the food we eat, the water we drink, the sun and the rain. All are His gifts to us.

Love is probably one of His more precious gifts. His love for us. The love of a man and his wife. Our love for family. And then there's the love of one who is willing to lay down his life for someone else, perhaps even a total stranger.

A member of the armed services is such a person. One who steps up and says "I'll go. I'll fight. I'll defend freedom. Your American Legion is made up entirely of those who have made that statement. Even if they have never had to face combat in any form they were willing to say yes, I'll go and if necessary, I'll give my life.

So, may I invite all of you reading this to come and be an active part of this organization. We exist for you and our purpose is to serve. We are here for you!

Blessings,

Lynn Hamm - Post Chaplain

P.S. Please contact me if you become aware of any illness or the passing of a member of our Post. My phone number is listed on this newsletter and if I don't answer right away, please leave a message. I promise I will respond. Thank you.

Commander's Message

Many events are happening at your Post. On October 31 we hand out apples and candy to kids for Halloween in Downtown Hillsboro from 4-6 PM.

Then on November 2, 23, and 30 is our Steak and Salmon meal beginning at 6 PM. On November 10th the Early Bird dinner will take place. This is a full Turkey dinner available free for those with paid 2019 dues and their paying guests. November 11th there is a Remembrance Ceremony for Veteran's Day at the Veteran's Circle at the Washington County Fairgrounds. This is remembering all Veterans and also 100 years since the end of World War I.

November 6 is E-board meeting, November 12th is Money Monday, November 13 is the Monthly meetings with a Guest presentation ~ 7PM about Dogs for Vets.

Coming up in December are Gift distribution at the VA hospital (7th) and Family Ham Dinner (15th). And on January 26th the Annual Crab Feed will happen ODFW permitting!

More events will be discussed and scheduled at the Post Monthly meetings and be listed in upcoming newsletters.

Always make friends! We all have a common bond with other veterans, we know the value of freedom, and continue to fight for and help our country as we are able.

Hug A Vet!

Compassion

The soul of the American Legion can be explained by one word: Compassion

- For Fallen Vets
- The wounded
- The families and kids
- Those who have sacrificed for our Freedom.
- Americanism
- The Laws of our Land.

These are some of the areas. We all understand the power of Compassion. It's a strong force for Good, and motivating entire social and cultural movements. Compassion is made stronger by meditating (Thinking) listening, moving (Actions), imagining (Planning), forgiving, learning, and reaching out to all. Add "Respect" and we will have Peace in America.

Event(s) Update

Please keep an eye out for announcements regarding our next events. This month the Early Bird Dinner has been scheduled for November 10. The Auxiliary will prepare a full Thanksgiving Dinner for the low price of \$10, But it gets better! Any Legion member that has paid their 2019 dues prior to or at this gets a free meal. And that's just as good as money (in your pocket)! So, get your dues paid and c'mon down for Dinner!

Post 6 held an Oktoberfest dinner on October 27th. There were a total of 22 meals sold with 4 being to go. There was Imported German beer and German Potato Salad (served hot from Bavarian Sausage Deli) along with Brats from a local butcher and Apple pies and Sauerkraut from a local Grocery Outlet.

Although there was a problem with the promised music because the tech brought the wrong connectors (Me), and there were no games, as promised in the ad, there were no complaints about the food! Sheryl Loberger did an awesome job with the decorating! Another festival of fall will be in the works for next Fall.

Auxiliary Message

Hello members,

Now that it is getting colder and closer to the start of winter, we should be thinking about our veterans that are not home for the holidays.

Now is the time that we can help all of our veterans that are in the Portland VA hospital.

The 2018 Christmas Gift Shop that is held at the hospital is at the end of November. We need as many volunteers as we can get to help. Please contact Linda L. at (503)-333-0719. Linda has the schedule and she would like as much help as we can give her. Also, to put a bug in your ears, the Christmas Cheer will be at the VA hospital on Thursday, December 6. Please let Joanne O. know if you can volunteer at (503) 407-7405.

Well, it is time to think about the holidays. Yes, I mean the holiday that we as American Legionnaires and the American Legion Auxiliary members celebrate in the month of November, Veterans Day, November 11, 2018. We will be distributing poppies at the new Ace Hardware (off of 25th and NW Cornell Road) for the next 2 Saturdays prior to the 11th of November. I still have the sign-up sheet at the Post Hall. Please contact me either by phone (310) 502-3991 or by email at debraashe70@gmail.com. The shift times are from 10:00 am until 1:00 pm and from 1:00 pm until 4:00 pm. The Saturday date left that I have to fill in is November 10th.

I would like to thank our new member Teresa H. for volunteering on Saturday, October 20, to help me out so I would not be by myself. Our new member Barbara and Harold H. have also volunteered. I do want to thank Joanne O., Lynn H., Dave B., and Tim and Hazel P. for signing up for the last Saturday of October and the first Saturday in November. As I said before if we have at least one Legionnaire at the distribution site, it helps with the donations.

There will be a guest at our meeting in December. The District 1 President, Lori S. will be attending our meeting. For those who have not met her, please come to the meeting and meet her. The Vice President, Jodi M. will be there also. We need YOUR help in having the best events we can have. Call me or text me or email me if you have any question or comments concerning Unit #6 Auxiliary.

Until next month,

Debra Ashe 2018-2019 President

Chaplain's Corner

What glorious weather we've been having. Oregon's Indian Summer has been wonderful to say the least. My favorite time of year is Fall and in my opinion, God has outdone Himself this year! He has also provided for us in numerous other ways as well

This month I'd like to remind us of just some of those ways. The human body is a perfect example, especially our brain. It is a marvelous creation. More intricate than medical science can discover or explain. Even the most powerful and sophisticated computers in the world can't approach it's speed or the number of instructions it processes every waking second. (It even works while we're asleep!) As the Psalmist of the Bible writes "Thank you for making me so wonderfully complex. Your workmanship is marvelous-how well I know it." Psalm 139:14 NLT. We truly are the pinnacle of God's creation. And He demonstrates His love for us in a myriad of other ways. The air we breath, the food we eat, the water we drink, the sun and the rain. All are His gifts to us.

Love is probably one of His more precious gifts. His love for us. The love of a man and his wife. Our love for family. And then there's the love of one who is willing to lay down his life for someone else, perhaps even a total stranger.

A member of the armed services is such a person. One who steps up and says "I'll go. I'll fight. I'll defend freedom. Your American Legion is made up entirely of those who have made that statement. Even if they have never had to face combat in any form they were willing to say yes, I'll go and if necessary, I'll give my life.

So, may I invite all of you reading this to come and be an active part of this organization. We exist for you and our purpose is to serve. We are here for you!

Blessings,

Lynn Hamm - Post Chaplain

P.S. Please contact me if you become aware of any illness or the passing of a member of our Post. My phone number is listed on this newsletter and if I don't answer right away, please leave a message. I promise I will respond. Thank you.

Guitars For Vets

I am currently working with the National Coordinator of this organization to set up a Washington County Area Chapter, to be sponsored by our Post.

Guitars for Vets is a 501(c)3 non-profit organization founded in Milwaukee, Wisconsin in 2007. They currently operate more than 80 chapters in 40 states with the assistance of over 200 volunteers nationwide. Over the past seven years, the organization has refined a guitar instruction program aimed at providing Veterans struggling with physical injuries, PTSD and other emotional distress a unique supportive program. G4V pursues its mission to share the healing power of music by providing free guitar instruction, a new acoustic guitar and a guitar accessory kit in a structured program run by volunteers, primarily through the Department of Veterans Affairs facilities and community-based medical centers.

For more info about the program please visit this website: <http://www.guitars4vets.org/>.

Money Monday-Investing

As the leaves fall so does the stock market. In the Fall, as the leaves change from green to yellow then red ... so do stocks. How can you take advantage of this change? Which stocks are doing well? Which mutual funds should you be in now. Join us on Money Monday and see for yourself. We will be exploring and researching many stock and mutual funds. We will find the winners and the losers and show everyone how easy it is and how much power and information is just a 'click' away.

GUEST SPEAKER AT NOVEMBER MEETING

Join us at the November meeting and hear about Paws Assisting Veterans (PAVE). PAVE was formed in 2010 to provide service dogs to Veterans with mental and physical disabilities. PAVE makes sure that Veterans never have to pay for the animals they receive. The group survives entirely from fundraisers and donations. Executive Director Christina Mulick will be here to tell us all about PAVE.

Post Membership Report

As of October 26th, our membership renewal is 169. For some reason renewals have stopped coming in. We are still at over 67% of goal but should be much higher. Thank you to everyone that has renewed so far, and I hope the rest of you will get yours in ASAP. Let's be 100% by December 31st. Think about becoming a paid-up-for-life member and never worry about paying dues again. Remember paying on line is easy and you can set it up so national automatically renews your membership on July 1st of each year.

Honor Flight of Portland

Almost ninety (90) percent of WWII Veterans who survived WWII have passed away since its end 71 years ago. Approximately 1,000 WWII veterans pass away daily across America. Their average age is in the late 80s. "Our objective is to take all WWII, Korea, and Vietnam veterans who apply for Honor Flight to Washington DC, as SOON AS POSSIBLE!". For information
