Commanders Message

We all have faced imperfection in life. But we are blessed with the seed of service! It is well that we serve. It is well with my soul serving as your Commander this year.

Service was nourished and directed by our time in the military. The call to continuous service is nourished by our concern for our fellow veterans that need our help, demanding that the US government give full care to those who served our country.

I will have no greater joy than to serve to this end. To this I give thanks to God and you that I am able!

The speaker for January's meeting will be a representative from Washington County Mental Health and Addiction Center. They will explain services that the county has made available to all. You may not need their services but with this information you can direct someone to get help from their resources. This includes Suicide counseling, drug treatment, and mental health problems.

Steak and Salmon dinners on Fridays are making a change to the menu!

Crab Feed

We are hoping to have our annual crab feed in January. It all depends on the commercial crabbing season and if they get out this year. Last several years it has opened late and does not look good so far this year. Keep your fingers crossed and we might have a great crab meal in the near future. Crab Dinners will be \$20 and Shrimp Louis are \$15.

Auxiliary Message

Hello members,

Since last month was the last newsletter for the year 2018, this will be the first newsletter of 2019. I hope that the year 2019 will bring new members and new ideas to all of our members of Unit #6.

As members, we need to think about our May Memorial Day Poppy Drive in 2019. Like it was brought up at the meeting, we need advice of the place we should be. Right now the options are Albertsons, Walmart and ACE Hardware. Please let me know if any of the three options would be good for you to help us raise money for our Veterans. And remember if you have a "special" Legionnaire, invite them to help out at the table. As I have said before if we have at least one Legionnaire at the distribution site, it helps with the donations.

For those who missed the meeting in December, we had a guest. The District 1 President, Lori Sherman, attended our potluck and meeting. She had a lot of good ideas for our Unit.

Again, please read the other articles in our newsletter for the important dates of our activities for the month of January. I hope that we all make it a goal this year to be more active.

If you need a ride to our meetings or our activities, please contact me or the Post message phone (503-648-7191) and the Post and I will do our best to get you a ride so you can enjoy our meetings and activities and meet some of our new members and reacquaint yourselves with the members that have been with us for many years.

We need ALL OF YOUR help in having the best events we can have. Call me or text me (310-502-3991) or email me (debraashe70@gmail.com) if you have any questions or comments concerning Unit #6 Auxiliary.

Until next month,

Debra Ashe

2018-2019 President

Auxiliary Membership

Please, a few seconds of your time... I am the membership person of our Auxiliary Unit #6. I know we are all super busy all the time, not just the Holidays. Our Unit is behind with 19 members not yet sending in their dues. Maybe you just forgot or it is still on your To-Do list. It would be a really good thing to do right away so you cross it off your list, and we can still count on your support. We need all our gals to support our Unit!

Our potluck suppers are always on the 2nd Tuesday at 6:15 PM, then we hold our meeting. We try to keep them short and full of information. Always welcome new ideas to help our veterans!

Like I said earlier we as a unit need you and want you to be a part of our family. Please join us and send your dues soon, as like maybe yesterday. Another thing crossed off your To-Do list.

It will be much appreciated and I can take you off my reminder list!

See you soon,

Ann Kennedy Membership Unit #6

Money Monday-Investing

As we see this market "Falling" ... it is now more important than ever to look at your investments objectively and think about what you should do with your money. With the computer tools that we are using now, we can pick out the winners. This is more important in a Bear Market than a Bull Market. Come and join us on Money Monday and see what we can do this year.

In addition to on line trading tools, I am currently doing "End of Day" (EOD) technical Analysis on over 8,500 stocks using Meta Stock XVI. Come and see the power and information computers can give you to make great Money Decisions.

We meet at 6:00 PM on the Monday before the meeting. Come and join us.

ADOPT A MILITARY FAMILY UPDATE

Thank you to all who have made generous donations to help our Military family. The money that was received will be distributed as the family needs it. Right now, all that was needed was a gift card for boots and coats for the children. We will keep in touch with the family and see what the need is next month. The family is very appreciative of the help that they have received.

Like I said last month, this is going to be an ongoing need, so it is not too late to contribute. If this family gets back on it's feet before the money is all used, then the money that is left will be kept for another Military family in need.

Thank you again. This is what we are all here for!

Post Membership Report

Membership as of this report is 212, that is just a little over 84% of our goal. We are doing quite well so far but the hardest is yet to come and that is the last 15%. There always seems to be 15 to 20 members that do not renew. If we are to continue to grow each year, we need every ones help. I am just the membership chairman, membership is every one's responsibility. Your dues are do by January 31st or National will consider you delinquent. National loses about 50,000 members a year, please don't be one of them. If you are having a hard time and can not pay your dues at this time, please let us know, we may be able to help. Wishing everyone the best for the new year. If you have never been to the post, please come and see what we do, you might just like it and come back.

ADOPT A MILITARY FAMILY

We recently became aware of a family that could use our help. She is a Navy Veteran with two children. Because of circumstances beyond her control, she is unable to work at this time and is struggling to support her children.

She has been working with an American Legion Service Officer and has received a grant from TFA (Temporary Financial Assistance) through the American Legion. TFA will only pay for rent and utilities and is a one- time only help.

This Veteran is going to need assistance while waiting for her Veteran's benefits to come through. We have told her about the Christmas Gift Shop at the Portland VA but she needs everyday living help. The Auxiliary presented her with a Fred Meyer gift card in October.

If you can personally help her, please send a check to the Post earmarked for "Adopt a Military Family". All of our help will be greatly appreciated.

2019 AUXILIARY MEMBERSHIP

Do you have a 2019 membership card? It's not too late but we need your renewal before the end of January.

Our membership goal for 2019 is 78 members. We have 36 paid members at this time. We need your help to make our membership goal.

You can mail your check made out to the American Legion Auxiliary for \$32.50 to 285 W. Main, Hillsboro, OR 97123.

Thank you.
