Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our “potluck” dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn’t have the time to cook or those who do not bake desserts. (And then you have me who didn’t have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.’s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

If you are new to The American Legion and Post #6, we need your ideas and what you would like to see for the future of Hillsboro Post #6. If we all pay our dues for 2019, this post could go over 260 members this year.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Please let me know your preferences.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

If you are new to The American Legion and Post #6, we need your ideas and what you would like to see for the future of Hillsboro Post #6. If we all pay our dues for 2019, this post could go over 260 members this year.

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our “potluck” dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn’t have the time to cook or those who do not bake desserts. (And then you have me who didn’t have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.’s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Please let me know your preferences.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

If you are new to The American Legion and Post #6, we need your ideas and what you would like to see for the future of Hillsboro Post #6. If we all pay our dues for 2019, this post could go over 260 members this year.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

After dinner, we had the a nice presentation from Bill H.’s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Please let me know your preferences.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Please let me know your preferences.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

If you are new to The American Legion and Post #6, we need your ideas and what you would like to see for the future of Hillsboro Post #6. If we all pay our dues for 2019, this post could go over 260 members this year.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Please let me know your preferences.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

If you are new to The American Legion and Post #6, we need your ideas and what you would like to see for the future of Hillsboro Post #6. If we all pay our dues for 2019, this post could go over 260 members this year.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Please let me know your preferences.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our “potluck” dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn’t have the time to cook or those who do not bake desserts. (And then you have me who didn’t have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.’s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our “potluck” dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn’t have the time to cook or those who do not bake desserts. (And then you have me who didn’t have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.’s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Please let me know your preferences.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

If you are new to The American Legion and Post #6, we need your ideas and what you would like to see for the future of Hillsboro Post #6. If we all pay our dues for 2019, this post could go over 260 members this year.

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

If you are new to The American Legion and Post #6, we need your ideas and what you would like to see for the future of Hillsboro Post #6. If we all pay our dues for 2019, this post could go over 260 members this year.

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our “potluck” dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn’t have the time to cook or those who do not bake desserts. (And then you have me who didn’t have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.’s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our “potluck” dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn’t have the time to cook or those who do not bake desserts. (And then you have me who didn’t have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.’s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Please let me know your preferences.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

If you are new to The American Legion and Post #6, we need your ideas and what you would like to see for the future of Hillsboro Post #6. If we all pay our dues for 2019, this post could go over 260 members this year.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

If you are new to The American Legion and Post #6, we need your ideas and what you would like to see for the future of Hillsboro Post #6. If we all pay our dues for 2019, this post could go over 260 members this year.

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

If you are new to The American Legion and Post #6, we need your ideas and what you would like to see for the future of Hillsboro Post #6. If we all pay our dues for 2019, this post could go over 260 members this year.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Hello Unit # 6 Members,

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Please let me know your preferences.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Please let me know your preferences.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Commander's Message

March is here already! The regular meeting on the 12th will honor the HFD firefighter of the year. The dinner will start @ 6:15 PM with award presentation around 7 PM. The Post is providing the meal and the Auxiliary the desserts.

At the March and April meetings we will start the election process for Post officers for 2019-2020 year. We are always encouraging fresh members to volunteer for these duties. This is a good type of volunteering to step forward and help the American Legion lead in service to our veterans.

The American legion is celebrating its 100th birthday and the Post is too! 100 years of service to veterans! The Auxiliary is giving the Post a birthday party on March 16. Please RSVP to Carole Hockenbarger by March 12 (503) 591-5212 .

On the national down to the individual level a Buddy Check program is starting March 11-18. You are requested to call your Buddy and check on his or her well being. Make it a 10-30 minute call not a 10 second text message.

It is especially important to make personal contact with fellow legionnaires that have drifted away. How can we be of service to them? This reminds me of a camp song we had as kids. "Your friends are my friends, the more we get together the happier we will be".

The Washington County Department of Aging and Veteran's Services is arranging to present Certificates of Honor at this year's Memorial Day ceremony at the Veterans' Gateway May 27th @ 1:00 PM. These certificates cover 4 areas: Former living POWs, MIA's, family members, families of those KIA during Vietnam war, and the surviving spouses Armed forces that served from 1955 - 1975. Contact the Washington County Dept ASAP to have these certificates prepared.

The Salmon and Steak nights every Friday will continue through March with the exception of the 15th due to birthday dinner the 16th.

The United States of America Vietnam War Commemoration Certificate of Honor Program

Memorial Day

The United States of America Vietnam War Commemoration established the Commemorative Partner Program, an organizationally-based, hometown-centric initiative to assist a grateful nation in thanking and honoring Vietnam veterans and their families where they live. As part of the Commemorative Partner Program, Certificates of Honor have been designed to honor and give special recognition to four categories of veterans and their families.

Certificates of Honor are available for our Commemorative Partners to present along with accompanying lapel pins for the following groups:

Former, Living American Military POW

The Former POW certificate and lapel pin are for former, living American military POWs from the Vietnam War as listed by the Department of Defense. If the former POW is deceased, the lapel pin may be presented to the surviving spouse.

Unaccounted For

The Unaccounted For certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of American military personnel listed as missing and unaccounted for from the Vietnam War by the Department of Defense.

In Memory Of

The In Memory Of certificate and lapel pin are for the immediate family members (parents, spouse, siblings and children) of a veteran who is listed on the Vietnam Veterans Memorial in Washington, D.C.

Deceased Vietnam Veteran's Surviving Spouse

The Deceased Vietnam Veteran's Surviving Spouse certificate and lapel pin are for the surviving spouse at the time of death of a veteran who served on active duty in the U.S. Armed Forces at any time during the period from November 1, 1955 to May 15, 1975, regardless of location.

Certificates are requested through Commemorative Partners on the Commemorative Partner Portal on the website listed below. For further questions, email whs.vnwar50th_cpp_coh@mail.mil or call 877-387-9951.

Auxiliary Message

Hello Unit # 6 Members,

I hope that you had a good month of February 2019. Just a heads up, next year, 2020, will be a Leap Year and February will have 29 days. That will be one more day to enjoy the friendship of Unit #6, Hillsboro American Legion Auxiliary.

Anyway, to continue the newsletter article.

For those members that missed our "potluck" dinner in February, you missed a great program. First of all, we had a good dinner provided by Post #6. The Auxiliary provided the desserts. We had some home-made desserts and some of us who either didn't have the time to cook or those who do not bake desserts. (And then you have me who didn't have time or does not know how to bake desserts very well.)

After dinner, we had the a nice presentation from Bill H.'s granddaughter from her week of Law Enforcement Camp. This week-long camp is one of the programs that the American Legion is a sponsor for the young adults in our area.

After the presentation, we had the presentation of the Police Officer of the Year of Hillsboro. The Chief of Police gave us a quick background on the Officer. She was a young police officer who also worked in the Hillsboro School District and she looked like she belonged in high school. A very fine Officer for Hillsboro Police Department.

In March, we have a presentation for the Firefighter of the Year. I think that we are going to have the chicken pot pie again for dinner. The chicken pot pie was a great idea and a different dinner than the spaghetti we have had for the year or two prior to this one. Again, the Auxiliary will be responsible for the desserts. Make and bring something that you enjoy and share with our members and guests.

The next few months will be busy for our members. We have the nominations in April, again in May before we vote and the installation of officers in June. March is also the District 1 meeting on the 23rd in Cannon Beach. April 5th, 6th, and 7th is the DEC Lapine, Oregon, and our Caucus for nominating District President and Vice President. This Caucus is in Clatskanie.

I hope to see you at one of these meetings AND I hope to see some new faces this spring at one of our events that are described in the calendar this month.

Until next month,

Debra Ashe
2018-2019 President

From the Newsletter Editor

The publishing of the newsletter is becoming rather expensive. Our permit for mailing required 200 copies to break even, or we pay for 200 anyway. Anyone who desires a hard copy via snail mail should let me know so I can try and make this job less labor intensive. Printing takes quite a while and then they must be folded and taped. With 300 on the mail list this takes up to 6 hours.

Many of you responded to Tim Pierce's MailChimp request, so this month all those I have email for will receive it digitally. Plus yours comes in color.

Please let me know your preferences.

Chaplains Corner

As I write this, it's been relatively cold the last few days. So much so that I have tried to stay indoors as much as possible. Call me chicken or sissy or whatever, but as I get older I find I don't do very well in extreme weather, either hot or cold!

Staying indoors has allowed me to spend a bit more time thinking about my life and what's most important for me to try and accomplish in the time I have left on this earth. I have found that trying to be more loving and patient with other people has been upper most in my thoughts.

I am grateful for my family. They are all easy to love. Nearly all of my friends, neighbors and acquaintances are relatively easy to love and appreciate too. It's just a few people who get under my skin that I really have trouble with.

So, I have begun trying to be more gracious and loving toward those folks who tend to rub me the wrong way. I will admit it is a challenge and one that I fail at. Often! But I have discovered that if I take some time to get better acquainted with at least some of them, I find I am much more sympathetic and understanding of those with whom I differ.

So that's what I'd like to encourage us all to try and do this month. Whenever tempted to think the worst of someone who has caused you to respond in a negative way, STOP for a moment and think. Try to put yourself in their situation. Look at things from their perspective and then try to be gracious and loving.

I believe that's what our Father in Heaven would want each of us to do.

Lynn Hamm - Post Chaplain

P.S. Please contact me if you become aware of any illness or the passing of a member of our Post. My phone number is listed on this newsletter and if I don't answer right away, please leave a message. I promise I will respond. Thank you.

Post Membership Report

Membership stands at 228 as of this writing, just over 90% of goal. We are ahead of where we were last year at this same time. Keep up the good work. We need your help in moving this post forward.

If you are new to The American Legion and Post #6, we need your ideas and what you would like to see for the future of Hillsboro Post #6. If we all pay our dues for 2019, this post could go over 260 members this year.
