April 2022 Issue

Post Commander

This April's Post meeting we will start with a presentation on a local option levy that funds our police, fire and EMS and parks departments. Mayor Steve Calloway, a city counselor member and the Public Information Officer for the City of Hillsboro, Fire and Rescue will be present to provide further information and answer any questions you may have. Please arrive early, we will kick off the presentation at 6pm.

Spring is here! And so is the start of our Saturday Market booth. Please take a look at your calendars and see what day works best to sign up for a shift.

Planning for the Veterans Memorial Poker Run is going great. It will be an event you will not want to miss! There are a few volunteer slots left (contact Doug Lund or me) or sign up to participate! Don't forget to help spread the word and share the flyer on social media.

This is the time of year for spring cleaning! We are looking for a power washer for the outside of the building and an upholstery steam cleaner for the Post's orange chairs. Contact myself or Todd Russell (House Committee Chair) if you have one available to use or would like to help with this year's spring cleaning efforts. Nominations for officers will continue to be open for the April meeting.

Happy Spring!
Sheryl Loberger,
Commander

Chaplain's Corner

Good morning and blessings to you all. I pray this day find you well and enjoying life to the fullest that you are able to.

I completed my 80th trip around the sun last month and I now find myself contemplating what I will do with the rest of the life our Father will hopefully bless me with. In my mind, I don't feel much older but my body keeps telling me differently!

I am blessed to have all of my children (6) and grandchildren (8) living near, and I was doubly blessed to enjoy their presence on my birthday.

I know that is not the case for some and perhaps even most of you. Family is a big part of my life and I plan to spend much of the time I have left being with them as often as possible. But being with family is only one of the things I've been thinking about doing as I grow older. I also plan to spend more time reading and contemplating God's word and then trying to live each day as His Spirit leads me.

Trying to help and serve others is high on my list of priorities but as my energy level and strength fades, I find I must try and be more selective regarding where and how I spend that time and my energies. So, my encouragement to those of you who are able and willing is to also consider what is most important and focus your time and energies on that. May I suggest helping others as one of your priorities, and may I add that you also consider the eternal ramifications of your choices.

Blessings,
Lynn Hamm
Chaplain

P.S. please contact me if you become aware of anyone facing a serious illness or perhaps the passing of a member of our Post. My phone number is listed on this newsletter and if I don't answer right away, please leave a message along with your phone number. I promise I will respond. Thank you.

We are only three months into the new year, but state convention will be here in June. We need to start gathering our reports and I need your help. Please send all of your volunteer hours and milage to me at the post address. I know that we all do more then we report. We send this information to National so they can compile a report for Congress.

The post has several events coming up and we need volunteers in order to make these events successful. You can call Commander Loberger and she can add you to the event of your choice.
