### Who Do You Trust

It seems to me that we live in a world that appears to be losing it! Many among us no longer seem to be able to use their rational minds. I won't go into detail for I believe you know exactly what I'm talking about. Along with this comes the revelation that many of our institutions of higher learning are no longer trustworthy. And everyone knows the news media often puts a "spin" on its reporting. So, the question becomes "who can you trust?"

The answer for me personally is very simple. I place my trust in God! In the Bible, Proverbs 3:5-6 tells us to, "trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge Him, and He will make straight your paths." (ESV)

We trust that when the traffic light is green, those with the red light will stop so we can proceed without fear of being broadsided. We trust the pharmacist to put the correct ingredients into our prescriptions. Shouldn't we trust the creator of heaven and earth for the things that are beyond the here and now and are eternal?

Just some food for thought on this cold, snowy January morning.

Blessings,  
**Lynn Hamm**  
**Chaplain**
